## Assessment Results

Hamilton Township School District
February 2024

## Presentation Will Show...

- Math \& ELA Data from NJ Student Learning Assessments (Spring 2023)
- District Benchmark Assessment Data (23/24 SY)
- PSAT Data - Grades 9, 10, \& 11 (Fall 2023)
- Advanced Placement (AP) Scores (May 2023)
- Steps Taken to Address/Enhance Performance

## Where Were Our Students in March of 2020?

| Current Grade | Was In... |
| :---: | :---: |
| $12^{\text {th }}$ | $81^{\text {th }}$ |
| $11^{\text {th }}$ | $7^{\text {th }}$ |
| $10^{\text {th }}$ | $6^{\text {th }}$ |
| $9^{\text {th }}$ | $5^{\text {th }}$ |
| $8^{\text {th }}$ | $4^{\text {th }}$ |
| $7^{\text {th }}$ | $3^{\text {td }}$ |
| $6^{\text {th }}$ | $2^{\text {td }}$ |

## Where Were Our Students in March of 2020?

| Current Grade | Was In... |
| :---: | :---: |
| $5^{\text {th }}$ | $1^{\text {st }}$ |
| $4^{\text {th }}$ | K |
| $3^{\text {rd }}$ | PreK (or home) |
| $2^{\text {nd }}$ | PreK (or home) |
| $1^{\text {st }}$ | Home |
| Kindergarten | Home |

## NJSLA Performance Levels/Scoring

| 1 | 2 | 3 | 4 | 5 |
| :---: | :---: | :---: | :---: | :---: |
| Did Not Meet <br> Expectations | Partially Met <br> Expectations | Approaching <br> Expectations | Met <br> Expectations | Exceeded <br> Expectations |

Highest Scale Score $=850$
(ranges vary per grade/test)

## NJSLA Mathematics Gr. 3-5

| Grade - Math | $\% 1$ | $\% 2$ | $\% 3$ | $\% 4$ | $\% 5$ |
| :--- | :---: | :---: | :---: | :---: | :---: |
| 3 - HTSD | 18.6 | 19.1 | 28.9 | 28.9 | 4.6 |
| 3 - NJ | 12.5 | 16.7 | 24.8 | 34.0 | 11.9 |
| 4 - HTSD | 19.1 | 24.9 | 30.5 | 23.9 | 1.6 |
| 4 - NJ | 13.1 | 17.8 | 24.7 | 37.2 | 7.1 |
| 5 - HTSD | 19.3 | 26.4 | 28.1 | 23.3 | 3.0 |
| 5 - NJ | 13.1 | 21.4 | 25.5 | 31.4 | 8.7 |

## What is Our Current Year

## Internal Math Benchmark Assessment Data

 Felling Us About Skill Growth (Alg I, Geo, Alg II)?(*Source - iReady Data)

| Algebra I Skill Growth | Geometry Skill Growth | Algebra II Skill Growth |
| :--- | :--- | :--- |
| Understand that polynomials <br> form a system analogous to the <br> integers, namely, they are closed <br> under the operations of addition, <br> subtraction, and multiplication; <br> add, subtract, and multiply <br> polynomials. (A-APR.A.1) | Use geometric descriptions of <br> rigid motions to transform <br> figures and to predict the effect <br> of a given rigid motion on a given <br> figure; given two figures, use the <br> definition of congruence in terms <br> of rigid motions to decide if they <br> are congruent. (G-CO.B.6) | Identify zeros of polynomials <br> when suitable factorizations are <br> available, and use the zeros to <br> construct a rough graph of the <br> function defined by the <br> polynomial. (A-APR.B.3) |
|  | Prove theorems about lines and <br> angles. (G-CO.C.9) | Recognize the purposes of and <br> differences among sample <br> surveys, experiments, and <br> observational studies; explain <br> how randomization relates to <br> each. (S-IC.B.3) |

## PSAT Average Scores

## Grades 9, 10, and 11

| Grade | Average Score | Improvement from Prior Year? |
| :---: | :---: | :---: |
| $9^{\text {th }}$ Grade PSAT | 777 | N/A |
| $10^{\text {th }}$ Grade PSAT | 818 | Yes <br> (was 813) |
| $11^{\text {th }}$ Grade PSAT | 856 | Yes |
| (841) |  |  |

## Advanced Placement (AP) <br> Administered 869 Exams

| \# Scored a 1 | \# Scored a 2 | \# Scored a 3 | \# Scored a 4 | \# Scored a 5 |
| :---: | :---: | :---: | :---: | :---: |
| 282 | 237 | 200 <br> $40.3 \%$ scored a <br> 3 (or higher) | 93 | 57 |

## Steps Taken K-5

- Additional BSI and ESL staff
- Year II K-2 Reading Program
- Heggerty Assessments (phonemic awareness)
- Expansion of Orton Gillingham
- Multi-Tiered Systems of Supports (MTSS)
- In-Class Tutoring Program
- Before/After School Tutoring
- $1^{\text {st }}$ in Math Program
- Teacher Leaders (Math \& ELA)
- Virtual grade level curricular meetings (monthly)
- iReady Family Reports (mailer in progress)

## Steps Taken 6-8

- Expansion of MS Basic Skills Program
- Running Record Materials - BSI
- Before/During Day/After School Tutoring
- Academic Push In (specific schools)
- Summer School 2024 (planning in progress)
- Jump Start to Algebra I Summer Program
- Revised math assessments

- STEAM Enhancements
- Open SciEd Program

## Steps Taken 9-12

- Bilingual Counselor
- Additional sections of double period of Alg I and Eng 9
- AP Jump Start Programs \& AP Potential Assemblies
- Year II 9-12 English Textbook Series
- Before/After School Tutoring
- Teacher Leaders
- Academic Push In (specific schools)
- Bilingual Push In (specific schools)
- Elimination of Level B - pilot

- New Textbooks

## Steps Taken - District

- Bilingual Office Hours for Families
- ESL Tutoring
- Monthly Curricular Newsletters for Staff
- Digital Family Resources
- Monthly principal meetings with Superintendent of Schools
- Principal Data Meetings with iReady \& LinkIt
- Pop Up School Houses
- Enhanced Four Year New Teacher Induction Program
- High Quality Professional Development
- Increased Family Notification of Math \& ELA Benchmarks

## Make Every Day Count!
