

Week of April 15-April 18

Hamilton Township Schools Spring Break

AM and PM Shared Time Students are expected to attend their vocational program during this time. Transportation will run as normal. Please be aware that AM students will be dropped off at Steinert at their regularly scheduled time and students must provide their own way home. Any PM student needing transportation to their vocational program site must provide their own transportation to Steinert at their regularly scheduled time and the bus will take them to their vocational program site.

Career Prep students are expected to attend their college classes during this time. If you need transportation to the college you must have your own transportation to Steinert to take the bus to the college.

Week of April 22-April 26

Mercer County Technical Schools are closed for the Share Time Programs.

AM Shared Time Students can report to Steinert in the morning and stay in the library until 5th period. PM Shared Time Students will report to Steinert in the morning for their classes and can stay in the library until the end of the day. If you would like to be excused after 4th period you must provide a written note from a parent or guardian for those days.

Career Prep students continue to follow their normal class schedule at the college.
