Getting Ready For Kindergarten Skills

Focus Quietly

Kindergarteners are required to sit still for lessons on the carpet and at their seats. Take your child to the library or Barnes and Nobles over the summer so he/she can practice sitting attentively.

Take Turns

Kindergarteners need to take turns and share materials. Play simple games or activities, like Candyland or Legos, with your child so he/she can learn to take turns and share.

Self-Help Skills

Self-help skills are IMPORTANT! Make sure your child can zip his/her jacket. Teach your child to tie shoes, or have them wear velcro shoes to school.

Letter Identification

Practice naming the letters of the alphabet. Pick up flashcards at the dollar store. Practice writing letters outside with sidewalk chalk. **Have fun!**
